ADDENDUM, effective November 12, 2010. This replaces the FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 section into the catalog.

Notification of Rights under FERPA
The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

1. The right to inspect and review the student’s education records within 45 days of the day the institution receives a request for access.
   A student should submit to the Registrar’s Office a written request that identifies the record(s) the student wishes to inspect. The Registrar will make arrangements for access and will notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, the Registrar shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate, misleading or otherwise in violation of the student’s privacy rights under FERPA.
   A student who wishes to ask the institution to amend a record should write to the Registrar, clearly identify the part of the record the student wants changed, and specify why it should be changed.
   If the institution decides not to amend the record as requested, the institution will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the institution discloses personally identifiable information from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.
   The institution discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by the institution in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the institution has contracted as its agent to provide a service instead of using institution employees or officials (such as an attorney, auditor or collection agent); a person serving the institution in an advisory capacity; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.
   A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for the institution.
   Upon request, the institution also discloses education records without consent to officials of another school in which a student seeks or intends to enroll.
   From time to time the institution publishes communications, such as graduation and honor roll lists, that include students’ names and programs of study. A student who wishes not to be included should put that request in writing to the Registrar.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the institution to comply
with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, D.C. 20202

FEDERAL FINANCIAL AID PROGRAMS

Federal Stafford Direct Loans (DL)
This low-interest loan is available to qualified students through the U.S. Department of Education and is guaranteed by the U.S. government. Repayment begins six months after the student graduates, leaves school or drops below half-time status. There are two types of Federal Direct Stafford Loans available: Subsidized Loans and Unsubsidized Loans.

The Federal Direct Subsidized Stafford Loan is a low-interest loan issued by the U.S. Department of Education. Student eligibility for a Direct Subsidized Loan is based on “financial need”. The federal government pays the interest while the student is in school at least half-time, during the grace period and during periods of deferment.
The Federal Direct Unsubsidized Stafford Loan is a low-interest loan issued by the U.S. Department of Education. Students do not have to demonstrate “need” in order to obtain this loan. Interest accrues on this loan while a student attends school.

**Federal Parent Loan for Undergraduate Students (PLUS)**

The Federal Direct Parent Loan for Undergraduate Students (PLUS) provides additional funds to help parents pay for educational expenses. Parents may borrow up to the cost of their dependent student’s education minus any other aid for which the student is eligible. The interest rate is fixed and interest accrues at the time of disbursement. Repayment typically begins within 60 days after the loan has been fully disbursed.

Note: Loan origination fees may be deducted from the loan by the institution making the loan as set forth by federal regulations.
