

Degree Programs

Accounting, Bachelor of Science Degree

48 Months – 192.0 Credit Units

Version: 1.0

Accounting is the language of business, and accounting procedures and records are the basic ingredients that provide students with a broad and diverse background in professional accounting, making a variety of entry-level positions in business and governmental accounting fields available to graduates of this program.

The Bachelor of Science in Accounting program prepares students to measure and communicate the financial position of an enterprise, to provide advice on taxation and management services, and to perform analysis of information systems.
