

Degree Programs

Applied Management, Associate in Science Degree

24 Months – 96.0 Credit Units

Version: 1.0

The Associate in Science in Applied Management program is offered for those students who have completed a diploma from an accredited post-secondary institution and whose career goals require a broad knowledge of the functional areas of business. All students will take coursework in the areas of accounting, general business, management, marketing, computer applications, and business law. The program prepares students for a variety of entry-level positions in areas such as sales, office supervision, and small business management.
