

MASTERS DEGREE PROGRAM

BUSINESS ADMINISTRATION, MASTER OF BUSINESS ADMINISTRATION DEGREE

24 Months - 56.0 Credit Units

V 1.0

The Master of Business Administration program enhances the students' effectiveness in business and industry through the continued acquisition and refinement of knowledge and skills. The MBA program emphasizes the development of critical thinking, initiative, independence, and responsibility necessary to achieve the heightened self-discipline, skill, and reasoning to become valued leaders in the business community. In addition, a graduate student may include an elective cluster by completing four courses, from any one elective cluster category listed: Accounting, Human Resources Management General Management.

Applicants whose undergraduate degrees are in a field outside the program areas are encouraged to apply.

Note: Prerequisite foundation work may be required before selected higher-level coursework may be attempted. All graduate students must meet certain prerequisite requirements prior to enrolling in Managerial Economics, International Economic Systems, Quantitative Methods, Financial Management, and certain graduate-level accounting courses. Previous coursework in these areas at either the undergraduate or graduate level may be acceptable to suffice the prerequisite requirement following review of official transcripts. Course descriptions for the undergraduate courses in the table below may be found in the *Course Descriptions - Undergraduate Degree Programs* section that begins on page 87. Undergraduate courses are those that have a Course Level Code of "4" or below. Undergraduate courses may not be taken as an elective as part of the Master of Business Administration Degree program.
